## Recapping a Crazy 2020 Year

### **So far in 2020... what else is next?**

The year 2020 started off innocently enough... personally, I was looking forward to it as I am sure all of you were!

However, the COVID19 epidemic raged through the world and changed our healthcare system dramatically. We were told we could not see our family and friends for several months. Summer rolled around with no traveling and children restless at home. Then California experienced a record-breaking year with wildfires and the Bay Area was shrouded in an eerie, Mars-like sky. Nationwide, there is civil and social unrest ongoing as we lead up into a tense election year... 2020 is the year that keeps on giving!

Although we've had to shelter-in-place, this time has allowed me the time to cultivate closer relationships with my loved ones and to explore the beauty in our backyard of California. Sometimes we get too caught up with our busy schedules so 2020 has made us take a step back and re-evaluate the simpler things in life and find joy at home.

Though there has not been much to celebrate this year, it is with pleasure that I present this Newsletter update to congratulate our members, **Martin Iyoya** and **Donna Fitzgerald** on their achievements!

# *Distinguished Service Award*

Dear CSHP Members,

Awarded annually to one member who has made exceptional and sustained contributions to the society at the regional and state level, **Dr. Martin Iyoya, PharmD, FCSHP** has been awarded CSHP's Distinguished Service Award (DSA) for 2020.

Dr. Iyoya has been a true leader in our organization on many levels. Regionally for both Diablo Society of Health-System Pharmacists (DSHP) and Quatra Country Society of Health-System Pharmacists, he has served CSHP membership honorably as delegate, treasurer, secretary and chapter President. Statewide, he has made notable contributions as member/chair of several CSHP committees including the Committee on Goals, Public Relations and the Committee of Nominations and Leadership Development. He has also served as Industry Chair for several Seminar planning committees. He was appointed to serve on CSHP taskforces such as the Pharmacy Practice Model Initiative, Sterile Compounding Work Group and the CEO/EVP search committee. He also served on the CSHP Board of Directors (2012-2015), during which the board worked to secure passage of SB 493 that recognized pharmacists as providers in the state of California, and most recently chaired an effort along with fellow pharmacy leaders to advocate for changes in Title 22 that better align with current practice.

As an assistant professor/preceptor for several schools of pharmacy, Dr. Iyoya has strongly encouraged students and staff to participate in CSHP and to advance the profession of pharmacy through grassroots advocacy. For several years he supported the UCSF student chapter for CSHP, participating in mock internship and residency interviews and annual mentor nights. Through John Muir Health, he has opened up inpatient internship positions and recently started a PGY1 residency program to help assuage job shortages faced by graduates. While serving on the UCSF School of Pharmacy Alumni Board of Governors, he actively promoted the benefits of CSHP amongst fellow alumni. Many of his fellow alumni, former students and staff have answered the call for grassroots advocacy and took on leadership roles regionally and at the state level. Grace Ng, PharmD, a past DSHP president, stated that "Martin has demonstrated a remarkable ability to network, to reach people personally and to inspire volunteering and giving back to the community." Barbara Uenaka, PharmD, MHA, FCSHP and 2019 DSA recipient states that "Dr. Iyoya's tireless advocacy for pharmacists and provision of services in the community has made a huge impact on developing many pharmacy leaders across California."

# Technician Achievement Award

## CSHP Announces Donna Fitzgerald, BS, CPhT, FCSHP as the Recipient of CSHP's 2020 Technician Achievement Award

Awarded annually, CSHP's Technician Achievement Award recognizes a pharmacy technician who participates in CSHP activities, provides exemplary service to the pharmacy profession, and participates in activities which promote the advancement of pharmacy technician roles within the profession. **Donna Fitzgerald, BS, CPhT, FCSHP**, has been selected for this year's CSHP Technician Achievement Award.

Former Board Member Martin Iyoya, PharmD, FCSHP stated that Ms. Fitzgerald is "a staunch advocate for the rights and place of the technician in pharmacy practice; her persistence and perseverance has insured that technicians have a voice and esteemed and rightful place in our organization."

Over the past 17 years as a CSHP member, Ms. Fitzgerald has played an active part in advocating for the profession of pharmacy in a variety of roles. At the state level, she has served on numerous committees and task forces including the Technician Division Executive Committee, Pharmacy Technician Executive Leadership, Seminar Management Team, Committee on Goals, CSHP Delegate, and CSHP Board of Directors. At the local Diablo affiliate chapter, she has served as co-chair of their continuing education committee while also serving as their technician liaison, webmistress, and events photographer!

Besides her outstanding work performance and involvement at CSHP, Ms. Fitzgerald's activism doesn't stop there. She advocates with local government officials on all matters of pharmacy and for equal healthcare for all Californians.

For all of her work, Ms. Fitzgerald will be honored during CSHP's Seminar 2020 Awards Ceremony on Friday, October 23, 2020.

###

Founded in 1962, the California Society of Health-System Pharmacists (CSHP) is a non-profit professional association established to serve the needs of hospital and health-system pharmacists. Representing over 4,000 members who practice clinical pharmacy and specialized medicine, CSHP members share a common mission – to promote wellness, patient safety and the optimal use of medication.
