# President's Corner

- ▶ A special thank you to everyone who worked so hard to put on our installation dinner and make our first official board meeting success this month! Despite challenges with Covid surge 5.0 we were able to have a safe gathering, share a meal, and have a nice evening together. It was very invigorating to see everyone together having a fun time.
- ▶ As we kick off 2022 I want to keep our momentum from 2021 going. DSHP has been able to keep our membership numbers up and have some great participation in events like NOWI to finish off 2021. The focus of the first half of the year will be nominations, membership drive, and setting up our planning groups for the membership appreciation BBQ and NOWI. Talk to everyone soon!

# Upcoming Events Planned for 2022

## **Membership Appreciation BBQ**

Like last year we will plan on having a membership appreciation BBQ, but will try to have it a little earlier in the year, possibly in August. The board will spend some time in February and March looking at dates and venues. Hope to see everyone there this summer!

## **Night Out with Industry**

Once again we will plan on having a fantastic evening in the fall at NOWI. The committee will be getting together soon to start the planning, please reach out if you are interested in helping plan this years event.

## **Health Fair?**

The constraints of the pandemic have precluded this the past few years, we will have to see how this year develops before considering another event of this type.
