Upcoming Events Planned for 2022

Membership Appreciation BBQ

Like last year we will plan on having a membership appreciation BBQ, but will try to have it a little earlier in the year, possibly in August. The board will spend some time in February and March looking at dates and venues. Hope to see everyone there this summer!

Night Out with Industry

Once again we will plan on having a fantastic evening in the fall at NOWI. The committee will be getting together soon to start the planning, please reach out if you are interested in helping plan this years event.

Health Fair?

The constraints of the pandemic have precluded this the past few years, we will have to see how this year develops before considering another event of this type.
