DSHP's 2022 Board Installation Dinner

1

Past, current, and new board members got together to celebrate the board installation dinner in person this year at Massimo's in Walnut Creek.

We were again recognized with Chapter of Distinction for 2021!

Achievements in 2021 include launching a new website (see link below), establishing a President's monthly e-newsletter, 20+ virtual CEs, 90+ in-person educational programs (thank you Barbara!), and other great events like the Health Fair, Member Appreciation Picnic, and successful NOWI. We also set up the New Practitioner mentorship program and linked DSHP members with pharmacy students virtually and in-person at the Mentorship Program last November.

Upcoming Events

- Several events planned for early this year
- Dinner Programs coming up as well as Resident CE Lecture Series

Stephen Don Stalker

1949 - 2022

It is with a heavy heart that we announce the passing of Stephen Stalker. He was well-known DSHP member even before Barbara's time. Barbara has known Stephen and his wife Nancy Stalker since she attended UCSF in 1973.

Excerpt from his obituary in the East Bay Times:

"Steve attended UCSB and UCSF, where he earned his Doctor of Pharmacy degree. He then completed a post graduate residency at UCSF. Steve was a Clinical Coordinator Pharmacist at Mt. Diablo Hospital (John Muir) in Concord, CA for 27 years where he focused on improving care for patients. In 2001, he went to work as a Regional Medical Scientist at Glaxo Smith Kline (GSK) until his retirement in 2011.

Steve passed away on January 28, 2022, at the age of 72 after a long road with Alzheimer's with his dedicated wife, Nancy, by his side. Donations in Steve's memory may be made to the [Alzheimer's Association](#)."
