Installation Dinner

It was nice to see everyone and catch up after the holidays during the Installation Banquet!

Welcome to our new (and old) board members for 2024

DSHP's Installation Banquet was held at Forbes Mill, Danville on January 16th, 2024

The 2024 Board Installation Banquet was a delightful affair attended by DSHP Board Members, old ones and new ones!

We also had a special sponsor presentation by Sanofi on "Breakthrough in Cold Agglutinin Disease."

Veronica Madrigal, our newly elected DSHP chapter president this year, showered appreciation to our 2023 Board offices, delegates, and committee chairs.

We took time to highlight our notable achievements in 2023. There were so many successful events like Night Out with Industry and fun social events like the Summer BBQ. We also had our second successful event "Insights with Industry" where students went to Genentech to talk with mentors. DSHP will definitely continue these events in 2024 and have more fun ones for our members.

We achieved Chapter of Distinction once again. There is a lot to accomplish in the 2024 year to match our stellar 2023 year!
